

**Community Inclusion Office/
Bureau d'inclusion
communautaire**

Fredericton

Scope of Work:

- Work with stakeholders to set the conditions for a safe, inclusive and welcoming community.
- Enhance relationships between equity deserving groups and the City.
- Understand community needs and link them to existing services, whether that be city services or services offered by other organizations in the community.

Work closely with:

- Social Inclusion Committee
- Youth Advisory Committee
- First Nations Relations Liaison
- Ethno-cultural communities and organizations
- Many other organizations and groups working towards community inclusion
